

Note from AFA President -- DOD and Air Force FY10 Budget

AFA Members, Congressional Staffers, Civic leaders, and DOCA members, for those of you who are interested -- below is a link to a briefing on the AF budget -- macro view. I think it is an excellent description of the President's Budget request.

Second link provides a more detailed look at the entire 2010 Defense Budget.

Finally, AFA has a few thoughts on this budget. A starting document would be our press release -- which can be found at this link: <http://www.afa.org/media/press/budget09.asp>

For your consideration,

Mike
