

Note from AFA President -- CFC

AFA Members, as many of you know the **2011 Combined Federal Campaign (CFC)** kicks off today! The Combined Federal Campaign gives all government employees the opportunity to support their favorite non-profit organizations via an easy payroll deduction. As you fill out your forms, I ask that you consider directing your CFC donations to either the Air Force Association or the Air Force Memorial Foundation this year.

AIR FORCE ASSOCIATION (<http://www.bestcfc.org/detail.asp?ID=1658>) CFC #12214.
AFA works to continue to **Educate** the public about the critical role of aerospace power in the defense of our nation, **Advocate** aerospace power and a strong national defense, and **Support** the United States Air Force, the Air Force family, and aerospace education. I would also note we are the only "full service" professional organization which deals with all issues facing our Air Force and our nation.

AIR FORCE MEMORIAL (<http://www.bestcfc.org/detail.asp?ID=771>) CFC# 11953. Our Memorial serves as an ongoing tribute to the service and sacrifices of all Airmen, past and present, while honoring the heritage of the United States Air Force and its predecessor organizations.

If you aren't a current government employee and don't participate in the Combined Federal Campaign, you can always make a donation to the Air Force Association (https://www.afa.org/afa_donation_form/default.asp?pm=show_form&dm=g) or the Air Force Memorial (<http://www.airforcememorial.org/donate/index.asp>) online, or by calling us at 1-800-727-3337.

Thanks in advance,

Mike
