Dear Senator Snowe:

The Air Force Association (AFA), a 501(c)(3) non-profit organization representing approximately 120,000 current and former Airmen and their families, is writing to express support for the bill you are co-sponsoring with Senator Amy Klobuchar to accelerate commercial license procedures for Veterans.

The bill calls on the Secretary of Transportation, in consultation with the Secretary of Defense, to develop accelerated licensing procedures for veterans with relevant driving experience. These procedures will allow veterans to more easily obtain a civilian Commercial Driver's License (CDL), without the long wait time and bureaucratic hassle the current process demands.

AFA believes there is no reason to wait to establish these accelerated procedures enabling qualified veterans with such experience to quickly acquire a CDL.

We strongly support efforts by Congress to reduce the licensing burden for qualified veterans, and enable them to more quickly reenter the workforce, easing their transition into civilian life.

Thank you for sponsoring this bill.

Sincerely,

Michael M. Dunn
